

## Detection

- **Change detection**
- **Phase correlation**
- **Focus shift**
- **Noise test**
- **Event detection**
- **Comparison with literature**

## Classification

- **Features**
- **Classified**
- **Visualised**
- **Prototypes**
- **Comparison with literature**

## Interpretation

- **CASES-99**
- **Validation**
- **Comparison with literature**
- **FLOSS**
- **Interesting and meaningful events**

**Implementation: R package**
